

PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA

CLERK'S OFFICE

NOTICE OF FILING

DOCKET NO. 2010-106-T

Pursuant to 26 S.C. Code Ann. Regs. 103-190, et. seq., the South Carolina Tariff Bureau, Inc., Post Office Box 926, Blythewood, South Carolina 29016, has filed with the Public Service Commission of South Carolina (the "Commission") the following revisions and/or additions to the current Company's schedule of rates and charges on file with the Commission:

Rule 1: Household Goods Mileage Guide No. 19, supplements thereto or subsequent reissues thereof. Any dispute as to mileage shall be referred to the South Carolina Public Service Commission for determination.

Rule 2: Item b:

The rates shown herein are reduced rates conditions upon the use of the Uniform Household Goods Bill of Lading, and in lieu thereof to have the carrier transport and property with carrier's liability limited only as provided by common law and by the laws of the United States and the several states insofar as they apply, but subject to the terms and conditions of the Uniform Household Goods Bill of Lading insofar as they apply, but subject to the terms and the conditions are not inconsistent with such common carrier's liability; the rate charged therefore will be one hundred (100%) percent higher than the transportation rate contained in this tariff as would apply for such shipment if offered for transportation by a released value not exceeding sixty cents (.60) per pound per article. When the consignor elects not to accept any of the terms of such bill of lading he must give notice to the initial carrier of such election. The initial carrier must indicate the receipt of such notice by writing or stamping thereon a clause signed by the carrier reading: "In consideration of the higher rate charges, the property herein described will be carried and the services to be rendered hereunder will be performed, with the carrier's liability limited only as provided by law; but subject to the terms and conditions of this Bill of Lading insofar as they are not inconsistent with such common carrier's liability.

Rule 3: Item b: Valuations shall be declared in accordance with FMCSA released rates under MC-No. 02, of January 29, 1936, and stated in cents or dollars and cents per pound per article.

Rule 16: Item No. 9: Holding Fee - \$150.00 per day with a 5 day maximum

Rule 19: Claims, Section 1:

- a. Any claim for loss, damage, or overcharge shall be in writing and filed with the carrier within ninety (90) days after delivery. As a condition precedent to any claim adjustment or payment, said claim shall be accompanied by the original paid Bill if not previously surrendered to the carrier. Carrier may require certified or sworn statement of claim.

b. Carrier shall be immediately notified for all claims for concealed and/or external damage and shall be given reasonable opportunity to inspect alleged external damage or concealed damage in the original package. It is incumbent upon the carrier or the designated agent of the carrier to inspect any and all reported damage and to provide for repairs or compensation based in the level of liability selected. If damage is alleged to have occurred to the shipper's dwelling or surrounding, for example but not limited to, damage to walls, floors, steps, ceilings, rails, doors, driveway, lawn, fence, patio or garage, is the carrier's liability or that of his designated agent to inspect the alleged damage. If such damage is determined to be transit related, it is the carrier's obligation to repair or restore to original condition or to otherwise make whole by compensation. Transit related damage occurring to a shippers dwelling or surrounding area is not covered by the Shipper's Declaration of Value. Any claim for property loss and or damage must be noted at the time of loading or delivery. Claims for property damage will not be accepted after the crew has left residence.

c. The carrier's liability shall not exceed the cost of repairing or replacing the lost or damaged property with material of like kind and quality. It shall also not exceed the actual cash value of the property at the time and place of loss, but in no event to exceed the released value as determined under rule 9. Replacement or repairing will be determined by the lesser of the two amounts.

d. The carrier shall not be liable for loss or damage occurring after the property has been delivered to or receipted for by the consignee or shipper or authorized agent of either. When the carrier is directed to unload or to deliver the property (or render any services) at a place at which the consignee or its agent is not present, the property shall be at risk of the owner after unloading or delivery.

e. Where the carrier is directed to load property from (or render any service at) a place or places at which the consigner or its agent is not present, the property shall be at risk of the owner before loading.

f. The carrier's liability with regards to sets and matched pieces shall be limited to repair or depreciated replacement of the lost or damaged piece or pieces only and shall not extend to repair, replacement or recovering of the entire set, but in no event to exceed the released value as determined under Rule 9.

Section 2

a. Any carrier or party liable on account of loss or damage to any said property shall have the full benefit of any insurance that may have been effected upon or account of said property so far as this shall not avoid the policies or contracts of insurance; provided that the carrier reimburse the claimant for the premium paid thereon. Any claim for property loss and/or damage shall be filed in writing within 2 business days after delivery.

Rule 20: Item No. G: Credit Card payments will be assessed a 2% charge for the use of the credit card

Rule 28: The transportation rates in this tariff do not include servicing or de-servicing articles or appliances such as refrigerators, deep freezers, cabinets, non-front loading washing machines, non plasma television sets, air conditioners, and the like, which if not properly serviced, may be damaged in, or incident to, transit; nor is liability assumed for any such damage unless said articles or appliances are serviced and de-serviced as provided in (a) or (b) below.
